

Potential Factors Affecting Movie Rating

Question 1

Is the movie release year related to movie rating?

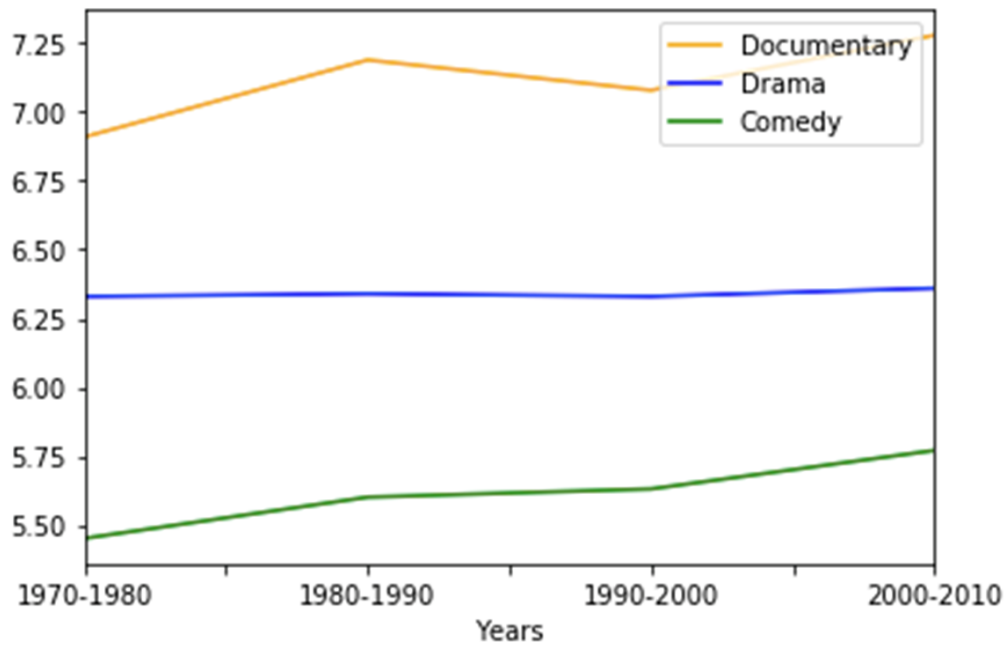

The year a movie was released is unrelated to the average rating.

Question 2

Is movie genre related to movie rating?

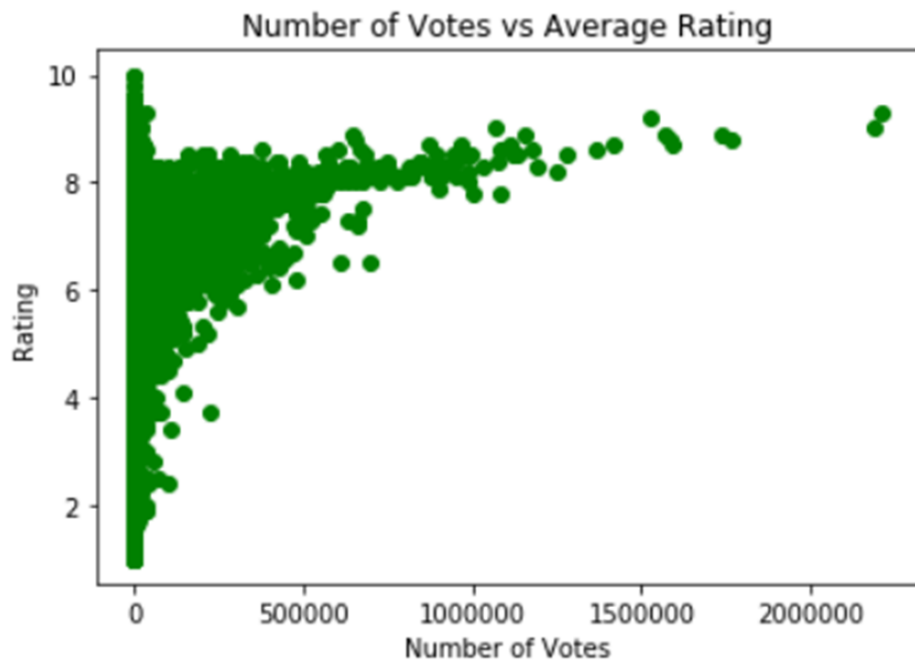

In general, genre is unrelated to movie rating. However, Documentary, Drama, and Comedy were consistently the top-rated movie genres, respectively, in each time period examined.

Question 3

Is the number of votes related to movie rating?

The number of votes per movie is unrelated to the rating of the movie.

Question 4

Is movie run time related to movie rating?

Movie run time is unrelated to the rating of the movie.
